## DOGS ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind or deaf shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

## OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on a packed dirt surface. Ring sizes will be 100ft x 100ft. The rings will be defined with temporary fencing, with gates that open and close.

Additional entries of same dog (includes \$3.00 AKC recording fee) ..... **\$20**

## ADDITIONAL SITE INFORMATION

The Curry County Events Center is an air cooled and heated arena that seats 3,500. 60 women's bathroom stalls guarantee no waiting in line before your runs! The arena floor is packed dirt with ample crating space on the arena floor and throughout the rest of the arena. Please stay clear of the concession area and doorways.

**Parking:** There is ample parking in the large lot outside the arena. Please do not park in the fire zone. No parking spaces may be saved overnight.

**Exhibitors and handlers** will be held responsible for clean conditions in and around their crates and parking areas.

**A food vendor may be available for this site.** The Events Center Café will be serving some breakfast and lunch items, or you are welcome to bring your own food and drink. This will be dependent on NM State guidelines at the time. An announcement will be made so you can plan accordingly.

**Exhibitors are responsible** for cleaning up after their dog(s). Dogs are not allowed in the restrooms. Any exhibitor failing to comply may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement.

**No dogs are allowed unattended at the site overnight.**

## COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes in which they are entered are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

### RINGSIDE

**Dogs may arrive** any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

**Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

### CATALOGS

A limited number of catalogs will be available for viewing at the trial secretary booth. None will be sold. Running order sheets will be available to all exhibitors at no charge and posted online after closing.

### VENDORS

Vendors are welcome, with no vendor fee. Please contact the Trial Chairman, Denise Maggard, at (575) 644-1547, to reserve a spot.

**This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.**

**JUNIOR HANDLER DISCOUNTS:** WSAC offers ½ price entry fees for handlers under the age of 18. An AKC Junior Handler number must be included on the Entry Form. To obtain a free Junior Handler number, call the AKC at (919) 233-9767

Handler substitutions can be made before entries close by paying additional entry fees. No handler substitutions allowed after the closing date/time. Refunds will not be given if the assigned Junior is unavailable to handle the dog.

**JUDGE MICHELLE PERSIAN IS NOT A VMO. PER AKC RECOMMENDATIONS DURING COVID, MEASURING WILL /BE PER AN AKC REP OR JUDGE'S DISCRETION ONLY**

## MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### NEW SIMPLIFIED JUMP HEIGHT CARD PROCESS

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

## RIBBONS, AWARDS, AND PRIZES

Ribbons will be awarded in each jump height division in each class as follows:

First Place.....	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place.....	White
Qualifying Score.....	Dark Green

A New Title rosette will be awarded to all dog and handler teams finishing a title. A special "QQ" medallion will be given to anyone who earns a Double Q in Master Standard and Master Jumpers on the same day. A special rosette and decorated bar will be awarded to all dog and handler teams that attain their MACH/PACH/PAX. All awards must be claimed by the end of the trial. None will be mailed.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

## NOTICE TO EXHIBITORS

### SAFETY, BEHAVIOR and LIABILITY

**The safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

**It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The White Sands Agility Club, the Curry County Events Center and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. **White Sands Agility Club reserves the right to decline entries for cause and may remove any dog on account of aggression.** No one shall have any recourse or claim against White Sands Agility Club or any official thereof.

**All dogs must be on leash** at all times when on trial grounds except when in the designated warm-up area or competing on the course.

**All regulations governing the use of this facility, and all regulations and decisions or the Trial Committee will be strictly enforced; including, but not limited to, the recorded information in this premium list.**

## SPECIAL COVID CONSIDERATIONS

- All New Mexico State COVID public health orders that are in effect on the trial dates will be enforced, including any mandatory quarantine requirements for people entering from outside of NM or who have traveled outside of NM. Refer to the NM Department of Health's website at <https://cv.nmhealth.org> for more information.
- AKC's Suggested Best Practices for agility trials will be followed as current conditions dictate.
- MASKS MUST BE WORN PROPERLY AT ALL TIMES AT THE TRIAL SITE, PER THE CURRENT PUBLIC HEALTH ORDER! The only exceptions are if you are inside your vehicle, or briefly to take a drink of water. If you are unable or unwilling to comply with this rule, please do not enter these trials!
- Exhibitors will do a simple COVID screen & sign a COVID waiver prior to their walk-through.
- No spectators/guests will be dependent upon the current New Mexico State Guidelines.
- In the event that these trials are cancelled due to changing COVID conditions, exhibitors will receive a full refund of their entry fees.
- Exhibitors who develop COVID symptoms and/or have an exposure/positive test after the closing date should withdraw and will receive a full refund of their entry fees for any unused runs.
- Failure to comply with any of these measures may result in a committee hearing, and/or immediate ejection from the trial, with no refund of fees.

## Curious about ISC

## International Sweepstakes Class???

### ENTRY REQUIREMENTS FOR INTERNATIONAL SWEEPSTAKES CLASSES (ISC) CUP:

**Purpose:** The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

**Eligibility:** These classes are open to **ANY LEVEL** dog registered with AKC. There is no Preferred Option for ISC; dogs may enter at their preferred jump height, however they will be scored against the regular division dogs jumping the same jump height.

**Jump Heights:** Dogs may be entered in their regular jump heights, **however**, only those dogs running in the 12" & 16" class that meet the FCI/ISC measuring cutoff (different than regular AKC cutoffs) or any dog entering the 24" jump height may use their clean run toward the required qualification toward entering WTT or EOTT. Please note: This year only, for 24" jump height dogs, half of their WTT tryout qualifications is allowed to come from the 20" height. Please see the 2022 AWC Tryout Rules for further details.

The FCI/ISC cutoffs for those heights are as follows:

- Small (12" jump height) - for dogs measuring 13 ¾" or less at the withers
- Medium (16" jump height) - for dogs measuring more than 13 ¾" but less than 16 ⅞" at the withers

Large (24" jump height) - for dogs measuring over 16 ⅞" at the withers  
**Qualifications:** "Clean run" scores from ISC Classes at 12", 16", and 24" (20" for half of the required qualifications for WTT) may be used to fulfill the minimum requirements for WTT/EOTT. A "clean run" consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class.

**This Cup is not a Regional World Team Qualifying event. There will NOT be an automatic invite of the combined winners to WTT.**

### Courses will be designed by:

Manca Mikec from Slovenia

### All classes will be judged by:

## Class Changes Effective January 1, 2020

**Please read carefully! Exhibitors are responsible for understanding and following these rules and entering correctly**

### **Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1<sup>st</sup> run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

### **Entering for Exhibition Only (FEO)** *(FEO runs will be permitted in T2B and FAST at these trials!)*

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

### **Fix and Go On (FNG)**

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
